We're doubling the number of trees planted this year.

For every e-Profile sold, we will plant two trees, one overseas, and one here in Aotearoa. In partnership in [OneTreePlanted.org](https://onetreepanted.org).

Terms and Conditions

The full purchase of an LC product occurs when the project is completed and the report(s) have been run and delivered to the consultant. After this point, any reopening of the project and rerunning of the report(s) will result in a reprocess charge. In the event that an LC project is cancelled and activity has commenced but no report has been run, the profile is considered partially completed and you will be billed for 50% of the product price. If a TLC project is cancelled before any activity commences, there is no charge. Activity is considered to be responses from participants and/or evaluators; or commencement of work internally at LC, NZ. LC Project Administration is charged per hour, rounded up to the nearest hour. You will be advised ahead of time whether a piece of work is considered Project Administration.

Mats are ordered on demand and their sale is final and non-returnable.

Leadership Circle only invoices you, the consultant, or the organisation you are directly employed by. You are responsible for payment to us for any LC Products you order. Please do not ask us to invoice another organisation on your behalf.
