LEADERSHIP CIRCLE PROFILE® CERTIFICATION

Certification gives you a powerful framework for enhancing leadership development and effectiveness.

The Leadership Circle Profile® Certification is three days packed with content designed to help you understand, work with, and effectively debrief The Leadership Circle assessments. Over the last decade, The Leadership Circle has risen to the top tier of leadership assessments, and is preferred by executive and leadership development professionals worldwide.

LEADERSHIP CIRCLE PROFILE® CERTIFICATION

"After nearly 1000 coaching sessions with many instruments, LCP has led to the best 1-on-1 coaching sessions I have experienced! It goes beyond feedback on behaviors/competencies (which it includes) to the source: core beliefs and assumptions out of which behaviors live."

-David Womeldorff,
Author, Coach, Former Consulting Director of Bank One Corporation's Learning and Leadership Development.
