

# LEADERSHIP DEVELOPMENT THAT STICKS

## LEADERSHIP SYSTEM

More than just an assessment or a pleasant coaching call, Leadership System™ methodically helps a leader develop through consistent application of the principles in the Leadership Circle Profile.

The Leadership System™, coupled with the research-proven results of the Universal Model of Leadership™ (UML) will offer you the following:

- The capability to deliver enterprise programs, tailored to the needs of each group.
- A fully integrated leadership development system
- A foundation to transformation and change
